

El Paso Electric SCORE® Plus Program Participation Process

1. CONFIRM ELIGIBILITY:

- Facility must reside in New Mexico and receive electric service from El Paso Electric (EPE).
- All public (school & government) entities are eligible to participate.
- Large commercial (>100 kW average demand) facilities are also eligible. Verify by EPE bill showing demand charge; online at sunbeam2.epelectric.com; or by contacting the EPE Program Coordinator using the contact information below.

2. COMPLETE REQUIRED ENROLLMENT DOCUMENTS:

- Submit required documents to CLEAResult Program Consultant:
 - Letter of Intent (LOI)
 - Form W-9 (Rev. 10/2018)
 - For incentives over \$50,000, customers will receive login instructions to EPE's payment portal.

3. EVALUATE PROJECT OPPORTUNITIES/SCHEDULE PRE-INSTALLATION INSPECTION:

- CLEAResult will assist in evaluating potential of energy efficiency projects.
- New Construction projects require 70% completed plans and specifications.
- Schedule pre-inspection(s) with CLEAResult Program Consultant prior to any equipment removal.
- CLEAResult will estimate energy savings and incentive payment calculations based on pre-inspection and/or construction documents.

4. COMPLETE PROJECT APPLICATION FORM: (see form for additional details)

- CLEAResult provides Project Application Form to participant to reserve project incentive funds.
- Participant completes information, project size (in sq. ft.), project start and completion date.
- Participant returns signed application to CLEAResult Program Consultant.

5. COMPLETE PROJECT:

- Participant completes project and schedules post-inspection with CLEAResult Program Consultant to determine final energy savings and incentive payment.
- Provide itemized invoices and/or final project submittals to CLEAResult Program Consultant upon request.
- Participant receives energy efficiency incentive payment from EPE.

Please note: The New Mexico Public Regulatory Commission's Independent Measurement & Verification Evaluator will randomly inspect completed projects.

Please contact an El Paso Electric or CLEAResult representative if you have any questions or for more information.
