PROGRAMS EVAPORATIVE COOLER REPLACEMENT
ACKNOWLEDGEMENT FORM**

Congratulations on your new energy efficient evaporative cooling system! We hope that you will enjoy a more comfortable home.

In cooperation with the Public Utility Commission of Texas in documenting the equipment installation, please confirm the following:

Had you considered to change equipment types (from an evaporative cooler to a refrigerated air conditioner) before installing a high efficiency evaporative cooler? _____

Without the program intervention, would you have continued to replace your evaporative cooler with a standard efficiency refrigerated air conditioner? _____

The El Paso Electric Program incentive motivated you to replace your evaporative cooler system to a high efficiency evaporative cooler system by off-setting the cost of the more energy efficient equipment. _
