

## Small Commercial Solutions Program Participation Process

## 1. PARTICIPATION AGREEMENT

	Sign the Letter of Intent (LOI) and submit the following to a CLEAResult Program Consultant:
	<ul> <li>Certificate of Liability and Auto Insurance (coverage of at least \$1 million, designating El Paso Electric [EPE] as an additional insured)</li> <li>Applicable Licenses</li> <li>Completed Form W-9 (Rev. 10/2018)</li> <li>ACH Direct Deposit Form</li> </ul>
	Upon receipt of required documentation, Participating Contractor will be formally enrolled into the Small Commercial Solutions Program.
	Participating Contractor receives login instructions for project submission into the Contractor Portal (Catalyst).
2.	CONFIRM CUSTOMER ELIGIBILITY
	ALL projects must be entered in the Contractor Portal at epe-portal.clearesult.com/contractor
	Signed Customer Acknowledgement Form and incentive savings calculator must be submitted to reserve funds.
	There is a three-business-day hold on project start to allow for CLEAResult's pre-inspection where required.
	All contractors must schedule pre- and post-inspections for first three projects annually, at least 15% of submitted projects, all protects greater than 10 kW and all screw-in lighting projects greater than 1.5 kW in peak demand savings.
	Funds are reserved for 45 days.
3.	VERIFY AND SUBMIT DOCUMENTATION FOR PAYMENT
	Contractor must submit final documentation within 45 days of reservation to the Contractor Portal.
	Submit incentive savings calculator.
	Confirm/revise Customer Acknowledgment Form.
	Submit time and date stamped pre- and post-installation photos.
	Submit specifications sheets (if required).
	Submit customer-signed invoice showing EPE incentive amount and customer balance.
4.	PAYMENT PROCESSING
	EPE incentive funds will be directly deposited to Participating Contractor's bank account within four to six weeks of completed project submission.
	ease note: The Public Utility Commission of Texas Independent Measurement & Verification Evaluator will randomly inspect mpleted projects.

Please contact an El Paso Electric or CLEAResult representative if you have any questions or require assistance.
