

Large Commercial Plus Program Participation Process

1. CONFIRM ELIGIBILITY:

- ☐ Facility must reside in Texas and receive electric service from El Paso Electric (EPE).
- ☐ Large commercial customers who have one facility with an annual average peak demand >100 kW or multiple facilities with a total annual average peak >250 kW. Verify by one of the following: The most recent 12-month average of EPE bills' measured demand or contact an EPE Program Representative using the contact information below. Bills and data can be accessed online at myaccount.epelectric.com
- ☐ All public schools, higher education and local government (town, city, county) customers are eligible to participate.

2. COMPLETE REQUIRED ENROLLMENT DOCUMENTS:

- ☐ Submit required documents to CLEAResult Program Consultant:
 - ☐ Letter of Intent (LOI)
 - ☐ Form W-9 (Rev. 10/2018)

3. EVALUATE PROJECT OPPORTUNITIES/SCHEDULE PRE-INSTALLATION INSPECTION:

- ☐ CLEAResult will assist in evaluating potential of energy efficiency projects.
- ☐ New construction projects require 70% completed plans and specifications.
- ☐ Schedule pre-inspection(s) with CLEAResult Program Consultant prior to any equipment removal.
- ☐ CLEAResult will estimate energy savings and incentive based on pre-inspection program calculators and/or construction documents.

4. COMPLETE PROJECT APPLICATION FORM: (see form for additional details)

- ☐ CLEAResult provides Project Application Form to Participant to reserve project incentive funds.
- ☐ Participant completes information, project start and completion date.
- ☐ Participant returns signed application to CLEAResult Program Consultant.
- ☐ Participant is notified of reserved Program funding. Funds are reserved for 60 days.

5. COMPLETE PROJECT:

- ☐ Participant schedules post-inspection of completed project with CLEAResult to verify final energy savings and incentive payment.
- ☐ Provide itemized invoices and/or final project submittals to CLEAResult Program Consultant upon request.
- ☐ Participant receives energy efficiency incentive payment.

Please note: The Public Utility Commission of Texas Independent Measurement & Verification Evaluator will randomly inspect completed projects.

Please contact an EPE or CLEAResult representative if you have any questions or require any assistance.
