

Evaporative/Refrigerated Air Rebate

El Paso Electric

Texas Residential & Income Qualified Solutions Programs

1. Program Overview

- El Paso Electric will pay out a rebate to eligible customers within EPE's Texas service territory that install an **eligible evaporative cooler or refrigerated air conditioner (including heat pumps and mini splits)**
- Rebate will be available through December 31, 2025, or upon funding availability.
- Customers will reserve funding with El Paso Electric prior to purchasing the unit and will have 45 days to complete the project (See additional information under #4. Reserve Funding below).
- Customers may hire a contractor of their choice, or they may choose to do the work themselves.
- For a refrigerated air conditioner rebate, the contractor must be a licensed HVAC contractor OR the contractor must have an air conditioning and refrigeration contractor license
- Rebate amounts for Evaporative Coolers are **\$600** for Residential customers and **\$700** for Income Qualified customers.
- Rebates **up to \$449.00** (this example applies to a new Refrigerated AC between 54,000-64,999 BTUh and 15.2 SEER2, 12 EER2 replacing an old Refrigerate AC)
- If the total project cost is less than the rebate amount, the rebate will equal the total project cost.

2. Customer Eligibility

- Customer *must* reside in Texas and receive electric service from EPE (Except Culberson County).
- Single Family Homes only (1-4 units in one location).
- To qualify for enhanced incentives through our Income Qualified Energy Efficiency Program check the Income Eligibility Form found at <https://epesavings.com/residential-lowincome.html>
- Customer must qualify through categories 1A, 1B or 1C. Category 2 is not eligible.
 - Category 1A - Provide proof.
 - Category 1B - Confirm during funding reservation.
 - Category 1C - Check at www.huduser.gov/portal/sadda/sadda_qct.html.

3. To Qualify

- New Equipment **MUST** be purchased and installed in the current program year.
- Evaporative Coolers must be listed on the Eligibility List (pg. 2) to be eligible for a rebate.
- Refrigerated Air Conditioners must have an AHRI certificate to be eligible for a rebate <https://www.ahridirectory.org/Search/SearchHome>
- Equipment Must be permanently installed with a single duct or ducted air distribution system (except for mini-splits)

4. Reserving Funding

- **Please call El Paso Electric at 915-521-4488 to reserve funding prior to purchase of unit.**
- This program has limited funding. Once all funding is reserved, a waitlist will be opened.

5. Submit Required Documentation for Payment of Project

- Submittals will be made through email at epe.residential@clearResult.com or mail to CLEARResult at **311 Montana Ave. A-2 El Paso, TX 79902.**
- Customer must submit the following documents within the 45-day period started from when the customer first reserved funding.
 - **Application Form.**
 - Manufacturer, model trade/brand name, model and serial numbers must be listed on the application form.
 - Release of liability for both El Paso Electric and CLEARResult included.
 - **Photographs of installed system, nameplates, and invoice/store receipt**

6. Project Notification/Schedule Inspections

- Once the rebate application is submitted, El Paso Electric and/or CLEARResult will perform an inspection to confirm project completion before paying out incentive. Inspections take 15 to 20 minutes and are scheduled during office hours; M-F, 8:00 am – 5:00 pm.

El Paso Electric Texas Residential & Income Qualified Solutions Program

EVAPORATIVE & REFRIGERATED COOLING REBATES Application Form

All applications are due 45 days after initial reservation.

1. EPE CUSTOMER INFORMATION

To be eligible for rebates, rebate forms may be mailed or emailed along with a copy of receipt or contractor invoice to, **Mail: CLEAResult, 311 Montana Ave A-2 El Paso, TX 79902 OR Email: epe.residential@clearresult.com**
Rebate processing takes approximately 4–8 weeks. Terms and conditions subject to change without notice.
Rebates are determined by cooling ratings and size of cooling unit. For evaporative coolers, refer to the list of eligible units; page 2. Notification of unit eligibility will be given by email or phone.
For any other questions, assistance in determining your building type, or providing the required information, contact an EPE Energy Efficiency Program Representative at (915) 255-4300, (915) 521-4488 or epe.residential@clearresult.com.
