

# Ceiling & Wall Insulation Rebate

## El Paso Electric

### Texas Residential & Income Qualified Solutions Programs

#### 1. Program Overview

- El Paso Electric will pay out a rebate to eligible customers within EPE's Texas service territory that install **ceiling and wall insulation**.
- Rebate will be available through December 31, 2025, or upon funding availability.
- Customers will reserve funding with El Paso Electric prior to purchasing the unit and will have 45 days to complete the project (See additional information under #4. Reserve Funding below).
- Customers may hire a contractor of their choice, or they may choose to do the work themselves.
- Rebate amount depends on existing level of insulation and square footage indicated as living area in the El Paso Appraisal Department <https://epcad.org>
- Rebates **up to \$0.36 per sq.ft.** (this example applies to a house with refrigerated air cooling and 1 inch of ceiling/attic insulation or less)
- If total project cost is less than the calculated rebate amount, the rebate will equal the total project cost.

#### 2. Customer Eligibility

- Customer *must* reside in Texas and receive electric service from EPE (Except Culberson County).
- Single Family Homes only (1-4 units in one location).
- To qualify for enhanced incentives through our Income Qualified Energy Efficiency Program check the Income Eligibility Form found at <https://epesavings.com/residential-lowincome.html>
- Customer must qualify through categories 1A, 1B or 1C. Category 2 is not eligible.
  - Category 1A - Provide proof.
  - Category 1B - Confirm during funding reservation.
  - Category 1C - Check at [www.huduser.gov/portal/sadda/sadda\\_qct.html](http://www.huduser.gov/portal/sadda/sadda_qct.html).

#### 3. To Qualify

- Ceiling insulation existing R-value must be less than R-22 (less than 7 inches)
- Ceiling insulation post R-value must be at least R-30.
- Wall insulation existing R-value must be at least R-4 (less than 1.5 inches)
- Wall insulation post R-value must be R-13 (2x4 wall) and R-17 (2x6 wall)

#### 4. Reserving Funding

- **Please call El Paso Electric at 915-521-4488 to reserve funding prior to purchase of unit.**
- This program has limited funding. Once all funding is reserved, a waitlist will be opened.

#### 5. Submit Required Documentation for Payment of Project

- Submittals will be made through email at [epe.residential@clearResult.com](mailto:epe.residential@clearResult.com) or mail to CLEARResult at **311 Montana Ave. A-2 El Paso, TX 79902.**
- Customer must submit the following documents within the 45-day period started from when the customer first reserved funding.
  - **Application Form.**
    - Insulation type, starting R-value, post R-value and square footage
    - Release of liability for both El Paso Electric and CLEARResult included.
  - **Photographs of area before insulation installation, of insulation thickness using a ruler/tape, of area after insulation installation and of insulation thickness using a ruler/tape.**
  - **Copy or Photograph of invoice or receipt.**

#### 6. Project Notification/Schedule Inspections

- Once the application is submitted, El Paso Electric and/or CLEARResult will perform an inspection to confirm project completion before paying out incentive. Inspections take 15 to 20 minutes and are scheduled during office hours; M-F, 8:00 am – 5:00 pm.
